Helping You Grow.

AT EATON BROTHERS, WE TAKE PRIDE IN THE PRODUCTS WE OFFER BECAUSE WE KNOW THE PRIDE OUR CUSTOMERS TAKE IN THEIR LAWN AND GARDENS. WE GET TO KNOW YOUR UNIQUE NEEDS AND FIND A SOLUTION THAT WILL HELP YOU GROW.

Eaton Brothers is a leading supplier of lawn and garden products with four decades of experience in the industry.

Founded out of a garage in Hamburg in 1934, Eaton Brothers has consistently evolved to keep up with the ever-changing market and demand, including offering cemetery products and a warehousing division.

Owners Alex Keogan and Rob Desjardins work closely with customers – big and small – to provide what they need, when they need it, all at competitive prices. It’s about paying attention to those unique needs while striving year over year to provide new products, streamlined ordering and first-in-class customer service.

BURLAP PAC

Our first quality (selvaged on both sides) medium-weave 7 oz. burlap is for protecting valuable evergreen shrubs and bushes in the winter. It may also be used in decorating, crafts and other miscellaneous gardening.

BURLAP TALL PAC

Similar to the Burlap Pac, our first quality (selvaged on both sides) medium-weave 7 oz. Tall Pac can protect evergreen shrubs and bushes, but ones that are even taller and wider.

SEED GARD BURLAP

First quality (selvaged on both sides), loose-weave, 5 oz. burlap for lawn reseeding and light erosion control. Seed Gard facilitates seed germination by retaining moisture and holding soil in place.

WEED GARD

Black fabric blocks sunlight to prevent photosynthesis and suppress weed growth. Non-toxic and odor free, environmentally safe alternative to herbicide use. Allows air and water to penetrate for worry-free irrigation.

BULK BURLAP

First quality burlap with selvaged edges, rolled on 1.5" tubes and labeled clearly for size and construction. Available in three different weights – 5 oz., 7 oz., and 10 oz. The treated burlap is a no-rot burlap.

COLORLED BURLAP

Tightly woven 10 oz. burlap is perfect for holiday decorating, crafts and hobbies. This all-purpose, natural fabric is tough yet easy to work with, washable and will last indefinitely. Available in five bright colors in 3' x 150' bulk rolls for large jobs or dispensing by the yard.

CRAFT PAC

Craft Pac is our colorful 10 oz. burlap packed in convenient 3' x 9' retail packages.

CAMOUFLAGE BURLAP

This 7 oz., 48" wide, medium weave burlap is printed with the classic "woodlands" print. Colorfast and durable. Available in 20 ft. retail rolls and 35 yd. bulk rolls.

NEW!

BIO-SPIRAL TREE GUARDS

Protects saplings from harsh weather conditions and herbicides, while also providing proper air flow circulation with pre-formed holes. Made from 100% recycled material, these tree guards will naturally degrade over time.

NEW!

DEFENDER PRO TREE SHELTER

Protects young trees from harsh weather conditions and nuisance animals, while also promoting faster growth. Easy to install with “no ties” staking and securing system. Unique square design ensures the shelter splits as the tree grows.

New Look!

GRAFTING WAX & COMPLETE GRAFTING KIT

Ideal for glueing or sealing wounds to prevent infection in newly grafted trees or shrubs. Warm before using, apply with a brush. It will remain flexible after application and won't wash away in the rain.

NURSERYMEN'S AND GRAFTING TAPE

Used to bandage tree wounds, seal grafts and keep grafts safe. Each roll is 3/4" wide by 60 yards long. Tape expands to accommodate growth of the grafted area, allowing for the correct moisture content, but should be removed after area is completely healed.

TREEKOTE TREE WOUND DRESSING

Protect your shrubs, bushes, vines and trees from decay, insects and fungi. Withstands all weather: hot, cold, wet and dry. Dressing also used to shield tree wounds, in tree surgery, propagating orchids and after grafting.

Proven to help prevent the spread of disease and increase wound closure. Convenient to use, easy cleanup and minimum waste. Made in the USA.

TREEKOTE TREE BANDING GUM

Provides an effective barrier against crawling insects such as gypsy moth, tent caterpillars, ants, obscure root and pecan weevils, tussock moth caterpillars, climbing cutworms and canker-worms, among others. Made in the USA.

Gum can also be used in your garden to help protect vegetables from crawling insect pests without using chemicals.
